# Amazing Grace

Moderately Slow

Words by John Newton  
Traditional melody

1. A - maz - ing - grace! How sweet the sound, That  
2. 'Twas grace that taught my heart to fear, And  
3. Through man - y - dan - ger, soul, and snare, I  
4. The Lord has prom - ised good to me; His

saved a wretch like me! I  
grace my fears re - lieved. How  
have all - read - y come. 'Tis  
word my hope as - sure. His

once was lost, but now am found. 'Tis  
pre - cious did that grace ap - pear. The  
grace that taught me safe - ty. And  
will my shield and port, be, As

blind, but now I see.  
how I first be - lieved.  
grace will lead me home.  
long as life as - dures.

5. Yes, when this flesh and heart shall fail,  
And mortal life shall cease,  
I shall possess, within the veil,  
A life of joy and peace.

6. The earth shall soon dissolve like snow,  
The sun forbear to shine;  
But God, who called me here below,  
Will be forever mine.

A kind heart and an infectious smile allow grace to lighten the mood wherever it goes. This lesson will be excellent for any beginner who wants to learn this song and be able to play it in two different places on the keyboard. At the tender, she decided that she would not have been gifts to her birthday parties, but instead charity donations. As this act has been inhumed not to help, the image in my mind tells me that he was sweating and panting until he hurts my heart so bad, 33 years old. \$ 25.00 Anyone knows that grace would tell you that it has always been special. This lesson is for the classic melody of the Gospel "Grace Grace - in the key to G. Incredible [D] Grace, like [G] Sweet [D] the sound, which saved a wretch as [A7]. Once [D] has been lost, but [G] now in [d] found, it was blind, but [a7] now [d] see twas [d] grace that thought my heart [g] [ D] For fear, and charming my fears [A7] released. Through all this, Grace has never forgotten to smile and lighten the mood for other patients who met along the way. While grace will spend the rest of his Waist monitored for cancer recurrence, currently shows no evidence of illness and is enjoying going back to his sports and thinking about new ways to help other children as you who are facing your cancer trip. Months before it was due At home he started experimenting with attacks of traumatic asthma in which he rushed to a hospital in Houston, in Texas and was given 10 liters of oxygen. Throughout the rest of the year, the grace of her remained positive and strong, making rounds in the hospital, encouraging other patients and always having a smile for the many thoughtful medical professionals who treated her. Although just 10 years of grace she spent more time in hospitals than many people in our life, she always remembered finding her smile when she went there, and all the people who met her there would tell you that she would light up always their day. On June 24, 2014 my brother told his cell companions who was struggling to breathe, they told the guards but nothing was done, the nurse refused him and from the letters of the detainees that my family received After my brother's premature death, they explained how the guards weren't worried, all that Curtis wanted to do was breathing! You can imagine someone who looks at you without breathing, and you know you have this disease and that there is no help, because people are just doing their job.
